INTRODUCTION

It is increasingly important that Cherry Garden School adheres to a strict online safety policy:

- to protect and educate pupils and staff in their use of technology
to have the appropriate mechanisms to intervene and support any incident where appropriate.

Online safety is a safeguarding issue and overall responsibility for online safety is held by the designated safeguarding leads.

The breadth of issues classified within online safety is considerable, but can be categorised into three areas of risk:

- **content:** being exposed to illegal, inappropriate or harmful material
- **contact:** being subjected to harmful online interaction with other users
- **conduct:** personal online behaviour that increases the likelihood of, or causes, harm.

RATIONALE

Technology offers unimaginable opportunities and is constantly evolving. Access is currently becoming universal and increasingly more mobile, and pupils are using technology at an ever earlier age.

GENERAL AIMS

1. To ensure that all children can access ICT devices at school safely.
2. To ensure that personal data is secure on the school network.
3. To give guidance to adults regarding the appropriateness of internet material that they access at school.
4. To give parents information on appropriate use of ICT devices at home.

TECHNICAL AND INFRASTRUCTURE APPROACHES

Cherry Garden School:

- Has the educational filtered secure broadband connectivity through the LGfL and so connects to the 'private' National Education Network;

- Uses the LGfL filtering system which blocks sites that fall into categories such as pornography, race hatred, gaming, sites of an illegal nature, etc. All changes to the filtering policy is logged and only available to staff with the approved 'web filtering management' status;
- Ensures network healthy through use of anti-virus software etc and network set-up so staff and pupils cannot download executable files;
- Uses individual log-ins for all adults.
- Uses DfE, LA or LGfL approved systems such as S2S, USO FX, secured email to send personal data over the Internet and uses encrypted devices or secure remote access were staff need to access personal level data off-site;
- Provides staff with an email account for their professional use, using Office365 and makes clear personal email should be through a separate account;
- Works in partnership with the LGfL to ensure any concerns about the system are communicated so that systems remain robust and protect students;
- Ensures the Systems Administrator / network manager is up-to-date with LGfL services and policies / requires the Technical Support Provider to be up-to-date with LGfL services and policies;

POLICY AND PROCEDURES

Cherry Garden School:

- Is vigilant in its supervision of pupils' use at all times, as far as is reasonable, and uses common-sense strategies in learning resource areas where older pupils have more flexible access;
- Ensures all staff have signed an acceptable use agreement form and understands that they must report any concerns;
- Staff will only use the school's digital technology resources and systems for Professional purposes or for uses deemed 'reasonable' by the Head and Governing Body. Staff will only use the approved school email, school Learning Platform or other school approved communication systems with pupils or parents/carers, and only communicate with them on appropriate school business and will not disclose their personal telephone numbers and email addresses to pupils or parents/carers. Staff will not use personal cameras (digital or otherwise) or camera phones for taking and transferring images of pupils or staff without permission and will not store images at home or information related to staff and pupils on personal equipment.
- Informs staff that that they must report any failure of the filtering systems directly to the ICT coordinator. Our ICT coordinator logs or escalates as appropriate to the Technical service provider or LGfL (Atomwide) as necessary;
- Makes clear all users know and understand what the 'rules of appropriate use' are and what sanctions result from misuse - through staff meetings and teaching programme;

- Keeps a record of any bullying or inappropriate behaviour for as long as is reasonable in-line with the school behaviour management system;
- Ensures the designated safeguarding lead has appropriate training;
- Provides advice and information on reporting offensive materials, abuse/ bullying etc available for pupils, staff and parents
- Provides online safety advice for pupils, staff and parents;
- Immediately refers any material we suspect is illegal to the appropriate authorities - Police - and the LA.

Should serious online safety incidents occur, the head teacher will fully investigate, which could lead to disciplinary procedures. See Disciplinary Procedure.

SOCIAL MEDIA - PROTECTING PROFESSIONAL IDENTITY

School staff should ensure that, when using social media for personal use:

- No reference should be made in social media to students / pupils, parents / carers or school staff
- They do not engage in online discussion on personal matters relating to members of the school community
- Personal opinions should not be attributed to Cherry Garden School or the local authority
- Security settings on personal social media profiles are regularly checked to minimise risk of loss of personal information.

EDUCATION AND TRAINING

Staff:

- Once a year all staff members are refreshed on the online safety policy, especially new additions and all new staff are required to sign an online safety agreement.
- Staff are encouraged to contribute to the policy, and also report any online safety issues to the named online safety coordinator (Simon Wright). These incidents are recorded in the online safety recording document.

Parents:

- Parents are invited to attend an online safety information session. The purpose of this session is to brief them on safe practice with their children.

Children:

- Children in KS2 with appropriate understanding are given input on safe internet and computer practice as part of their PSED sessions - See PSED Scheme of Work.

Cherry Garden School

- Fosters a 'No Blame' environment that encourages pupils who are able to tell a teacher / responsible adult immediately if they encounter any material that makes them feel uncomfortable;
- Teaches pupils and informs staff what to do if they find inappropriate web material i.e. to switch off monitor and report the URL to the teacher or System Manager.
- Ensures pupils who are able and staff know what to do if there is a cyber-bullying incident;
- Ensures all pupils who are able know how to report any abuse;
- Ensures that staff and pupils who are able understand the issues around aspects of the commercial use of the Internet, as age appropriate. This may include, risks in pop-ups; buying on-line; on-line gaming / gambling;
- Ensures staff know how to send or receive sensitive and personal data and understand the requirement to encrypt data where the sensitivity requires data protection;
- Provides advice and guidance to parents on an individual basis in the form of leaflets or in school newsletters.
